Memo/Reply From
JOSHUA LEDERBERG

TO: Dr Ed Blonstein

1.

OCT 29 1979

Dear Ed,

Has it been a month since Sept 25?

All the usual ... but better late than never; and I badly did want to thank you and Mrs Blonstein for a very fine evening.

I particularly enjoyed your magnificent way of drawing people out (including some who might produce intrinsic encouragement than myself) — that itself, not to mention a fine dinner and good company, made the trip eminently worthwhile.

Hope to see you again soon.

Yours,

Joshua Lederberg
