Memo/Reply From
JOSHUA LEDERBERG

TO: Jim Cleaver

OCT 27 1980

"Of course let's get together...."

However, when I looked at my calendar, I saw the only reasonable time I can break loose is on Monday afternoon, December 8. I'm holding 4pm to, see if you want to confirm that.

Thank you for your fine letter on Martin Carter. It was the last (positive!!) straw I needed.

Yours,
