Bob Kuppenman

DEC 20 1982

STT panel.

Dear Bob –

Thank you for keeping me abreast.

I have been in Washington Weekly for several months for several members of DoD & I feel have not had the time to join your more deliberate studies.

Perhaps in future, – so please do subscribe me under CRISIS avoidance, iff that doesn't preempt a more which attender.

I'm trying to get a close look at the Falklands fiasco as a manifest failure of deterrence.

Yours

Jim
