Nov 4, 1978

Dear Josh —

I just returned from a trip to find your lovely note. It was my pleasure to see you, Marguerite, and your daughter. Like the elderly gentleman I have become I received "naches" seeing you on the platform and happy.

We, Mildred and I will certainly take advantage of your invitation, and will arrange time to see you in New York. Good luck, and if I can help in any way please holler

Best regards to all

Norman —
