Dear Dr. Lederberg,

Although my health has improved, and I am anxious to come back to the lab, it is still going to be some time before the doctors permit me to go. On Thursday they are going to judge the effectiveness of the treatment, and I will let you know their decision as soon as possible.

In the meanwhile, if you have any work I could do for you over here, I'd be very glad to help you in any way I can.

Sincerely,
Helen
