Dear Josh,

I will be out at Cal. Tech. Feb 15-17. If it'd be convenient for you I would try to stop in Madison either on my way out or back. Let me know so that I may plan accordingly.

I also indirectly find myself in your debt or at least in debt to your trip to Australia. The polio people not having succeeded in getting you to their Congress

have decided I'd be second best.

Or as Dr. Rivers put it, "Do you think you can fill Lederberg's shoes?"

Anyhow, I (we???) plan to go.

Best wishes for the New Year
to all

Norton
