Harry Schwartz

JUN 11 1983

Hearts.

Yes, I did discuss it as a "tragic" dilemma, emblematic of costly live-saving technology.

I don't have a copy of my talk; but the enclosed may reflect my thinking.

We have very little force on health care policy. Not quite our field.

You do know Bill Lowrance: we can hardly get enough support to secure his work.

Humiliedly,

Yours.

Jim.
