Dr. Joshua Lederberg:
Stanford University School of Medicine
Stanford, California 94305

Dear Dr. Lederberg:

Thank you very much for the information which you sent. It would be good if the popular writers would quote completely, instead of just the amount to prove a point! In just such a way is the Bible contorted.

Enclosed are the articles from Engage. I have been interested in their stark commentaries in the past, but cannot endure the kind of alarmism in these articles. I have put some notes where I thought they were appropriate.

Sincerely,
Henrietta Britton
