Dear Josh:

Many thanks for all your notes. Health has been restored -- thanks to your doctoring -- except perhaps for some evidence of mental deterioration, as may best be demonstrated by a willingness on my part to indulge in an assumption that I may have some capacities to head the Development Committee! Needless to say, I had the temerity to say yes because of the comfort derived from the numbers of extraordinary people at the University, including of course yourself, Rod and all those now engaged in the development effort.

To the extent that I can aid the cause, I surely will do my best.

Sincerely,

Alexander D. Forger
