June 19

Dear Josh:

I talked to Bob Sharp and was very encouraged. He said that he was confident the financial support for your department would be forthcoming eventually and was getting this down in a letter to you. I assume that this will take the form of a formal offer which you can now consider. If I don't hear from you, I'll call you next week to check before leaving St. Louis for the West. We plan to leave June 28 and spend July 7-15 in Palo Alto.

Many thanks for your reprints and also the one of Childs paper. I haven't yet done any detective work on him but shall when the case gets hot.

As ever, Arthur
