Dr. Erhard Geissler
Berlin
AUG 5 1988

Pugwash - May.

I was not in Miami and could not have given first hand information about "the Army meeting with the ASM".

Second hand, I have heard that Gen. Philip Russell did speak there. Dr. Rosenberg may be able to give you the details.

If you are in New York next January, I will be glad to see you.

Please call me: TELEPHONE (212) 570-8080

(But I will be away Jan 5-8). and on Jan 10.

The problems are shifting from the East-West axis to the proliferation of EW (and BW?) in the 3d World. We must unite to forfend that.
