Personal Memo from
JOSHUA LEDERBERG

Mrs. Pamela Harriman
Washington DC
9/25/92

Passing the word.

Dear Pamela –

We would appreciate your good offices in communicating this memo to the Clinton transition team. The most important item is tabbed – page 9 – being prepared early to fill the "prime" vacancies.

We'll be glad to forward copies of the "prime" Books.

Yours, affectionately,

Joshua.

P.S. I introduced Hermine Warren to you. She has been quite active in the campaign.

After the election she may call you for help in contacting some people she has reason to think might be helpful to my own lab (at RU). She won't be a burden.

Hope to see you again soon.

J
