2/23/74

* Forrest Frank quotes

** Spurgeon Keeny to me at Columbia (? ~ 1942):

"Biology is the challenge; we have gone all the way in Physics; now biology has to catch up."

2/02

* IDA

** Arms Control Assn. Columbia classmate. or now at NAS

Personal memo from
JOSHUA LEDERBERG

JUL 20 2002

S. Kennedy

also recalls for me – as
Columbia classmate –

How I "doctored" him, prescribing
$NaHCO_3$ for an acid stomach.

I see him occasionally
