Dear Dr. Lederberg:

I am very grateful for your kind letter of February 17. I have sent a copy of your letter to Mr. Ganesan and he would probably be writing to you in the near future. I understand that he wished to come to the United States only in February, 1959 and I am glad to note from your letter that this period will suit you also better. Mr. Ganesan has my unqualified endorsement but you could after some time, write and find out Prof. Winge's evaluation of Ganesan. You could also write to Gopal Ayengar; he is expected to return from New York sometime in April.

With warmest personal regards,

Yours sincerely,

*Swaminathan*
