QUEEN ELIZABETH COLLEGE,  
Campden Hill Road,  
London, W.8.

19th February, 1958.

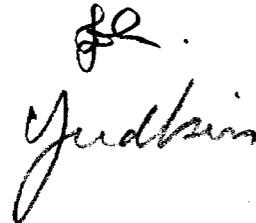

Dear Joshua,

Thank you for your letter.

I can quite understand that you are sceptical about our results. No one has yet conclusively shown transformation in coli. On the other hand, I can assure you that we are quite satisfied with our own results. I am looking forward very much to hearing that you have confirmed them.

With kind regards,

Yours sincerely,

A handwritten signature in cursive script, appearing to read "J. Lederberg". The signature is written in dark ink and is positioned below the typed name "Yours sincerely,".
