Nov. 13 -

Dear Mary,

I read (took) the Bird of God in two gulps - its fine & toward the end I felt that she had perhaps caught a secret - his relation to the Inquisition that made him express all that is in the Crucifixion in the Louvre.

Tonight - I have

DR. FLORENCE R. SABIN
151 EAST 80TH STREET
NEW YORK CITY

devoured at one gulp
Virginia Woolf's A Room
of One's Own – which I
take it – every body else
is devouring at the
same pace – get it –
& pass it on to some –
of your feminist friends –
It's just a smart book –

Introduce it to Dean
with love -
Florence -

A Dr. Niggam - who wrote
The New Decalogue of
Science has written an
article on me for the
Herald - Tribune which is
fine - I'll get a copy
& send it on -
