

WILLIAM T. GOLDEN

40 WALL STREET  
NEW YORK 10005

February 7, 1979

Dear Josh:

Anent your note: I know George Ball only slightly, but my colleague, Harold F. Linder, knows him very well.

Yes, you should try to cultivate him (for example, he would be an excellent trustee, productive both intellectually and financially).

I have spoken with Harold Linder about you and about him; and Harold would be glad to serve as helpful intermediary.

With warm regards,

Sincerely,

*Bill*
