Dear Joshua:

Welcome to the Editorial Board of Psychiatric Books, a critical guide to the literature. It is very heartwarming to have such an overwhelming positive response to our invitation, and I want to express our gratitude for your support and enthusiasm. The following list in alphabetical order comprises all those who have joined the Board so far:

Jack D. Barchas, M.D.	Clarice Joan Kestenbaum, M.D.
Robert Cancro, M.D.	Joseph Lederberg, M.D.
Paul Chodoff, M.D.	Steve Matthyse, Ph.D.
Jarl Dyrud, M.D.	Arthur Jergen Prange, Jr., M.D.
Carl Eisdorfer, M.D.	Bennett Simon, M.D.
Martin Gittelman, Ph.D.	Michael Stone, M.D.
Steven Hersh, M.D.	Louis Jolyon West, M.D.
Robert Kagan, Ph.D.	Otto Allen Will, Jr., M.D.

Only Peter Sifneos and Jacques Quen were unable to join because of already being overcommitted. George Tarjan is postponing his response until he recovers further from his recent illness. E. James Anthony is in England and will respond on his return.

I shall meet with the representative of McGraw-Hill early in August to discuss the format and logistics of planning the first few issues.

Sincerely,

Maurice Green, M.D.
