Mr. Rodney W. Nichols
Executive Vice President
The Rockefeller University

Dear Rod:

I gather Crystal has sent you other material like this so perhaps it would be better to keep all these data in one place for the present.

I have acknowledged receipt of the material and talked to him about matters "in general." He certainly seems to want to come, but I'm not sure whether he has accepted the fact that some moderation of his requirements will be necessary.

Yours sincerely,

Attallah Kappas, M.D.
