Dear Dr. Lederberg:

Thank you very much for your reply to my letter and for offering to set aside Monday, December 8th at 4 p.m., for us to meet. Unfortunately, I will have to travel out of New York on that day on a schedule that is locked in already. I am sorry, therefore, that we will not be able to make this time slot. However, I will try to maintain some contact and look forward to an opportunity to stop by for a social and scientific conversation with you on my next visit to New York.

Thank you again for your kindness in setting aside a time for me and I am very sorry that after suggesting we meet, I shall be unable to do so.

Yours sincerely,

James E. Cleaver

*Bien compris.
No problem - let's try again.
We are quite optimistic about Marky Candy.
Yours,
Jack.*
