In accordance with our earlier letter, we are now sending you further information on the Eighth ICUS,^{IL} as well as an official response form. As you can see, the program has been developing well and promises to be both stimulating and productive.

If there are any sessions of particular interest to you in which you would like to be considered for some active role, please indicate this on the response form and I will be glad to convey your interests to the appropriate Chairmen.

If there is any way I may be of further assistance to you, please do not hesitate to let me know. I do hope to hear a favorable reply from you in the near future.

With Best Wishes,

Sincerely yours,
