Personal memo from
JOSHUA LEDERBERG

Neal Grossman
Seattle

MAY 16 1988

Episodic historical dabbling.
(Back to your letter of 1973)

I'm returning to pre-history (for a paper at a Pasteur centenary next month), and I noticed Lane Bucksdale's account on Freeman.

Does it give with your recollections?

I'll ask Bucksdale if he has any documentation.

Sincerely,

Joshua Lederberg
