Dear Josh,

I am going to be passing through the midwest sometime during the week of August 3rd and would like to stop off at Madison to visit you and Esther. I'm writing to enquire whether you will be at the lab, or up in the backwoods cooling off — probably much wiser. If you will be in Madison, I hope to see you and exchange news of recent developments. As they say about Mohammed and the mountain - - -

Sincerely,
Peggy L.

P.S. Is it true you're not going to Bellagio?
