Joshua - my congratulations I note that you are now a made man on U-W-Campus. All of the children of the FRSO-Baldwin Dynasty get 1-2 or 3 grand sooner or later. But not K.P.L. - - hes too old!?!. You can - - now write about copulations in the lower forms of life with impunity. The indicated bird drank from my pan this AM circa 8^{00}. Cordially yours. Karl Paul Link

When I can't find J.L. in Nature - I find it in the Newspapers.
