Lansing Sept 20

Dear Dr. Lederberg,

I have received your last letter and this is to confirm that I'll be in Madison the nights of October 4 5 and 6 -

According to your suggestion I will call you from the airport on October 4 at about 11.30 a.p. and ask the limousine to bring me directly to your laboratory -

I asked some people to write me at your address and I would be very grateful if you could keep my mail until my arrival

yours sincerely

Giovanni Magni
