Yale Archives

Could you check to see if that recording is still extant?

While you're at it, have EWSinnott's* papers been catalogued?

If so, can you collect what there might be on EL T's coming to Yale ca. 1946 and his return to Stanford '47-48?

Finally, lowest priority, is there anything on me, ≤ 1950, in his papers?

Thanks so

CJ

* He was chair of Botany.
