Mr. J. Russell Wiggins  
Executive Vice President and Editor  
The Washington Post  
1515 L Street, N.W.  
Washington, D. C. 20005

Dear Mr. Wiggins:

I was reminded the other day of something I have been wanting to do for some time, compliment you on the thoughtful pieces which are done by Joshua Lederberg. I am particularly impressed with his approach to the problem of the Individual which is basic in this age of increasing and rapidly changing, etc. etc.

Sincerely,

JC:lh

Judson Chrisney  
Director, Long Range  
Institutional Planning

bcc: Dr. Joshua Lederberg ✓
