Mr. Clarence S. Hean
Agricultural Library
University ~~Wis~~Wisconsin

Dear Mr. Hean:

It is a little hard to put into writing all of the nice things we would like to say about your courtesy to us, and your service to the University. We have always been deeply indebted, not only for the larger contribution of managing the Agricultural Library, but for innumerable assistances in making the best use of it. We are very pleased to have this opportunity to express our thanks.

Sincerely,
