Dear Lederberg:

Irwin has called a meeting of the Comm. on P.E. & S.F. for Monday noon, Sept. 10, to discuss what to report to the business meeting Sept. 11. It seems to me that it would be good for us to get together, say Monday evening, to see what the situation is, and to try not to be caught as unprepared as we were at Columbus.

We're off tomorrow on a camping trip to British Columbia, to wind up at Minneapolis.

Sincerely yours

G. L. Sturtevant
