Novick

Dear Josh,

What wonderful news! Jane and I look forward to meeting Marguerite and David Adam. How about coming to Eugene at last this next year for a lecture and/or pleasure trip? There's non-stop air service SF-Eugene (1 hr)

Novick

We just came back from a trip to Italy-Yugoslavia. We had a great visit with Luca & Alba. (Jane had forgotten her name and called her Bianca). He sure looks forward to a year at Stanford, and I hope it works out.

For now please say hello for us to Marguerite. Best regards,

Aaron
