Dear Josh,

The day before yesterday I received a letter from a certain R.D. Brock (Canberra) informing me of "the sudden death" of Bob Wright. I loved Bob, and I am distressed. I know that, ~~you~~ to you too, Bob was more than just a student, and I am sure I know how you feel.

I suppose that either Brock or Wain have written to you. Do you know what happened? All Brock said to me is that Bob suddenly died. This laconic statement worries me no end. Could you drop me a few lines to say what you know.

Warmest regards to both of you,

As ever Boris
