12 Jan, 1958

Dear Prof. Lederberg,

In October of 1957, before the Institute of Genetics of the Academy of Science of the U.S.S.R. (at the state?) conference on ~~heritability + variation~~ heredity + variation in plants, animals, + microorganisms, a thesis was presented which I am sending to you.

Thank you for sending? to me the reprint of your work + the work of your collaborators.

With best wishes for the New Year.

Sinc. yours,

(Ybaskapoyzmĕ comes from Ybaskamb which means to esteem)
