May 22-59

Dear Josh,

We are glad to know when you are coming and sorry you can't stay longer. One of us (i.e. Mogens, Fritz or I) will try to get out to the airport to conduct you to the lab. where you can get a sleeping pill in the form of a bottle of beer.

Greetings to Esther and to the Cavalli's,

yours

Oe.

MAALØE, O.
