GATES AND CRELLIN LABORATORIES OF CHEMISTRY

7. August '59

Dear Josh,

Westex had better not wait for a triple apposition with its most outlying members – I'll be in Europe until late September and could come to Stanford only after Sept. 30. ~~From~~ Any time after that but not on Monday, Wednesday, or Friday would be O.K. If I miss the next meeting, I hope not to miss any of the others.

Best regards,
Matt
