Dear Josh,

The BW-CW arms control group will meet in Stockholm Sept 4-6. Expenses there will be met by the Swedes. I can obtain funds for your air fare (coach) – but any other contribution would spare scarce American Academy funds.

The main topics for discussion will be rapid detection methods, our pilot inspection exercise, and future activities. Among these are recommendations to the new Swedish Peace Foundation on possible studies of usefulness in the BWCW area.

Best regards.
Matt
