Dear Josh!

Mrs Hauswald wants me to write re the City of Hope Awards. My feelings were very mixed. It's of course a pure fund raising gimmick which I heartily dislike. On the other hand I'd like to help C of H because I think they are getting good people & doing some good work.

I said I thought it should be all or none and made my acceptance contingent on that.

I'm doing my duty in writing — in no way urging you do say yes if you do not want to. In fact I'll gladly give you full credit for courage of convictions if you say no — more than I have —

Hope all goes well there!
