Memo/Reply From
JOSHUA LEDERBERG

TO: David Baltimore

FEB 22 1980

Illustration.

A further complication is that much work of this kind is never published in the journals, or only long after the regulatory decisions are crystallized.

There is indeed a dilemma: that it is harder to get academic labs to focus sharply enough on problems close to public policy concerns.

Margaretta & I were both delighted to see you, and so well.

Yours,

Joshua Lederberg
