Personal Memorandum
JOSHUA LEDERBERG

Professor Patricia L. Dudley
Chair
Biol. Sciences
Barnard

A LONG SHOT!

Dear Prof. Dudley

Enclosed, part of a letter from Prof. John A. Moore, erstwhile member of your dept.

He refers to some slides I sent him in 1944, and the (im)possibility they are still to be found in your departmental teaching collection.

Any chance?

Sincerely
John Lederberg
