Peer Review... ASCA

I realize, with apologies, that I had not replied to your letter of April 8, 1979; though I had referred it to my friend Jon Cole ~~who~~ who is working in the field.

Thank you for the reprints.

To your specific question about ASCA, I am enclosing some literature on this service. It is available anywhere – at a price. The online versions may soon be the most economical.

My own profile is an individual one that barely overlaps the specific area of peer review. You might find the citation indexes handy enough for your own needs.

Sincerely,

Jim Peebles
