Personal Memo from
JOSHUA LEDERBERG

Mrs. Sophie Alway

11/1/90

Dear Sophie —

I was very sorry to read that Bob had died; and wanted to share Marguerite, and my condolences with you.

No one owed more than did I to Bob's vision and courage. We hope his last days were not too much an agony.

I've completed my four as chief administrator, and at 85 have reentered the lab, and am enjoying it very much.

Our fond best wishes,

Joshua.
