Bonfanti, et al.

Good to hear from you! I'll follow up your references.

I now recall having met Jean Mayo in Adelaide in 1957. I'm sure we talked about Bonfanti there, but don't remember any detail.

The Zickler reference is volume 52 (1954) not 7 (1957). Not a point worth much effort now.

I recall (ed?) Jean Mayo as being younger than myself, am surprised to hear she's retired. But I'll invite her.

Yours,

Joshua
