Dear Professor Singer,

After nearly half a year I received a report on COGENE from Giorgio Bernardi. As you know from ICSU correspondence, you have been asked to serve on a review panel for COGENE and I would like to ask you to send me your comments on the report and on COGENE activities for the period 1989 - 1991. I will then try to prepare a draft commentary and send it to you for approval.

With best regards,

Prof. A. Kotyk
