Memo/Reply From
JOSHUA LEDERBERG

TO: Hon. John Glenn
U.S. Senate

Best wishes for 1981

and

an acknowledgment I have not forgotten your very brief letter of July 14.

I certainly will try to call on you --- particularly as the new administration settles in, and gives some indication of the most useful points of reminder about the issues raised in your letter.

Cordially,

Joshua Lederberg
12/31/80.
