Memo/Reply From
JOSHUA LEDERBERG

TO: Clifton & Mathilde Kraus

R.U. + W.I 10/10/78

The affinities of the University with the Weizmann Institute are obvious.

Perhaps next time Mrs. Sela is in town, could we all get together to discuss ways of bolstering the bridges?
I hope you are free for the Oct. 16 occasion; but that may be rather hectic for personal discussion. Perhaps I will see you at the Weizmann Inst. dinner on Oct. 29.

Sincerely,

Joshua
