Dr. Larry Altman

JUN 12 1987

~~5/27/87~~

Dear Larry

What a pleasure to see you, and rediscover many shared interests, including history and journalism.

A couple of days ago, I sent you some memoirs of recent vintage.

As you don't have enough to read, now a few more items, including a selected 1 or 2 from my journalistic phase.

Hope to see you again soon,

Jim
