Dr Geissler

APR 27 198

omens of B.W.

I hope you can use your special knowledge and situation to bring this madness to a close.

Of course this testimony* may be exaggerated.

But can it be dismissed from a country that had a Lysenko, and where a system that could put such a careerist in power has hardly been altered?

---

* A real problem is that we have no opportunity to verify or discount it. Perhaps you do and can reach your own conclusions.
