Personal Memo from
JOSHUA LEDERBERG

Norton Zinder.

JUL -7 1986

Dear Norton:

1948 - penicillin

I don't find any correspondence that touches on plans to publish. But I'll alter the line.

What is the despair you refer to? You first answered at U-Wis. in July. By Nov. we were already negotiating with B&C, JACS..

Bernie hasn't replied. I'll probably call him next week.
