Personal memo from
JOSHUA LEDERBERG

Al Weinberg.

JUN 6 1988

SGI 1963-88.

Dear Al -

I saw the billing for your talk at NLM + am glad to have a copy.

Thank you for your personal comment on p. 3.

Yes I think automation was downplayed (p. 5). But time has done its work.

Annual Reviews does take on some of the important roles of information management. I'm glad you follow that!

Good to hear from you,

Jim.
