Dear Josh:

* I have now managed to arrange my schedule to come to California the beginning of next month. I wonder if you will be in town on Saturday, November 30th, and if I could take advantage of your hospitality for the night.

I am planning to arrive at 8:55 P.M. from Philadelphia on UA #851 and I must leave the next evening for Los Angeles.

I called Alex to tell him that I would be in town and that perhaps we could get together, but first, of course, I would very much like to see you and Esther. Please let me know if you will be in town.

Warmest best wishes.

Sincerely,

Hilary Koprowski, M.D.
