Dear Dr. Lederberg:

Enclosed are copies of the two letters between Edward Tatum and his father. I hope they will be of some use to you. Although I did not look through the collections systematically for correspondences to or from his son, these are the only letters of any substance I found between the two in the Arthur Tatum Papers at the University of Wisconsin Archives and at the State Historical Society of Wisconsin. Good luck with your research on E. L. Tatum.

Sincerely yours,

John Swann
